IEEE ICEENG 2024 Call For Posters

The 14th International Conference for Electrical Engineering 2024 hereby invites prospective Yong professionals and others with novel ideas to submit their Posters to the conference.

The submissions will be first as an extended Abstract of 2 pages long in the IEEE double columned format as a short paper. (All extended Abstract submissions (short papers) will be through EDAS system)

After acceptance, the author will be asked to cover the reviewers' comments and send a revised version from his/her short paper in a 2-page camera ready final manuscript.

ICEENG conference accepted short papers are published in IEEE Xplore Digital Library, indexed by Ei Compendex, Scopus, INSPEC, Thomson Reuters Web of Science, and others.

The Accepted extended Abstract (2-page short paper) will be presented in a poster format.

All presented authors are required and responsible to bring their poster printed on (120 cm height, up to 85 cm width (A0)) paper ready to be mounted on a foam board in order to present it in the poster session.
