We warmly invite you to submit your original, unpublished research contributions in any of the above areas. All accepted and presented papers will be submitted for inclusion in IEEE Xplore and indexed by Scopus, Web of Science, and other major databases.

Key Dates:

- **Paper Submission Deadline:**
[15 January 2026]
- **Notification of Acceptance:**
[7 March 2026]
- **Camera-Ready Submission:**
[25 April 2026]

CALL FOR PAPERS

We are pleased to invite you to contribute to the **IEEE 2026 ICEENG Congress on Emerging Technologies**, hosted at the Military Technical College in Cairo, Egypt.

This prestigious IEEE-sponsored symposium provides a vibrant platform for academics, scientists, engineers, and industry leaders to share groundbreaking innovations and research insights. Under its umbrella, ICEENG 2026 will feature **three specialized international conferences**:

- **ICEENG-IICC:** International Conference for Innovation in Intelligent Computing and Cybersecurity
- **ICEENG-IEEC:** International Conference for Innovation in Electronics, EM-Waves, and Communication
- **ICEENG-IPCS:** International Conference for Innovation in Power and Control Systems

Sponsors:

International Conference for Innovations in Intelligent Computing and Cybersecurity (IICC-2026) 11- 14 May 2026

CALL FOR PAPERS

We are pleased to invite you to contribute to the International Conference for Innovations in Intelligent Computing and Cybersecurity (IICC-2026), hosted at the Military Technical College in Cairo, Egypt. This prestigious IEEE-sponsored conference provides a vibrant platform for academics, scientists, engineers, and industry leaders to share groundbreaking innovations and research insights under the umbrella of ICEENG 2026.

Conference Tracks (but not limited to)

Track 1– Artificial Intelligence, Machine Learning, and Data Science: Advances in algorithms, deep learning, generative AI, and applied data analytics across domains.

Track 2– Cloud, Edge, and Intelligent Computing Systems: Architectures, distributed intelligence, and scalable infrastructure for smart applications.

Track 3– Cybersecurity, Privacy, and Quantum-Resilient Computing: Novel paradigms for securing data, systems, and communications in the age of AI and quantum technologies.

Track 4– Internet of Things and Embedded Intelligence: Smart sensing, connected environments, and edge AI for real-world deployments.

Track 5– Natural Language Processing, Computer Vision, and Multimodal Intelligence: Cross-modal understanding, large language and vision models, and human-AI interaction.

Track 6– Knowledge Engineering and Intelligent Analytics: Ontologies, reasoning systems, and interpretable analytics for knowledge-driven decision support.

Track 7– AI-Driven Innovations and Interdisciplinary Applications: Transformative uses of AI across different engineering applications.

Registration Fees

		Early Bird		Regular	
		IEEE Member	Non-IEEE Member	IEEE Member	Non-IEEE Member
Non-Egyptian Residence:	Author	\$350 USD	\$375 USD	\$400 USD	\$425 USD

ORGANIZING COMITEE

- ❖ Conference Chairman: Maj. Gen. Prof. Ashraf Diao Elbayoumy, The Commandant of the MTC, Egypt.
- ❖ Conference General Chair: Prof. Mahmoud Abdalla, MTC, Egypt
- ❖ Conference Chair: Prof. Gouda Salama, MTC, Egypt
- ❖ Conference Steering Committee:
Prof. Mahmoud Abdalla, MTC, Egypt, Prof. Lobna A. Said, MSD Director, NU, Egypt, Prof. Alex Thomo, UVic, Canada
- ❖ Conference Technical Program Chairs
 - Prof. Gouda Salama, MTC, Egypt, Prof. Fayez Gebali, UVic, Canada, Prof. Djamel Djenouri, UWE, UK, Prof. Khalid Salama, Google Deep Mind & UKC, Switzerland, Prof. Mohamed Nour, ERI, Egypt
- ❖ Conference Publication Chair:
 - Prof. Tarek Mahmoud, EUI, Egypt, Assoc. Prof. Tarek Ghoniemy, MTC, Egypt
- ❖ Secretary Chairs:
 - Asst. Prof. Mohamed K. Elhadad, MTC, Egypt
